UPCOMING HORROR MOVIE RELEASES: FINAL DESTINATION 5'S TRAILER & ART WORK; KIM SØNDERHOLM'S NEW FILM LITTLE BIG BOY; & THE BLOOD FARE POSTER AND TEASER TRAILER

Posted by *anythinghorror* on May 18, 2011 · [Leave a Comment](#)

I've said it before and I'll say it again. I'm not afraid to admit it!! But the FINAL DESTINATION films and the FEAST trilogy are my two favorite "guilty pleasure" horror franchises ever!! And lucky for me that the powers that be have decided to bless me once again this Fall. That's right; **FINAL DESTINATION 5** will be hitting theaters on **August 12, 2011**. Below you'll find the official US trailer (sorry, it's only the green band trailer), and to the left you can see the official art work for it. And here's the plot summary:

Death is just as omnipresent as ever and is unleashed after one man's premonition saves a group of coworkers from a terrifying suspension bridge collapse. But these unsuspecting souls were never supposed to survive, and, in a terrifying race against time, the ill-fated group frantically tries to discover a way to escape Death's sinister agenda.

Of COURSE it's exactly like the previous 4 entries but we all know ya don't watch a FINAL DESTINATION flick for the plot. We watch it for the creative death scenes. And judging by the trailer below I think we're in for one helluva fun film!! What do ya think?

KIM SØNDERHOLM'S LITTLE BIG BOY:

One of my most anticipated indie horror films this year is J.A. Steel's BLOOD FARE, which is described as "A civil war ghost story with a modern twist." I'm there and I'm all over that!! BLOOD FARE's co-producer Christian Koch contacted me recently to tell me about one of BLOOD FARE's stars, Kim Sønderholm's, new film that he directed. It's called LITTLE BIG BOY. Here's the plot synopsis from the press release:

Little Big Boy is, to say the least, a film like no other. It tells the story of acclaimed horror film director Jimmy Duncan, famous for his hot temper as well as his very exploitative movies. Having witnessed the murder of his mother at the age of seven, Duncan grows up at an orphanage and as an adult works his way up in the movie industry.

Caught up in the downward spiral of his own success surrounded by movie reviewers who refuse to acknowledge his obvious talent, starlet wannabes with absolutely no talent, producers with little patience and people who will do anything and exploit anyone to become famous in an industry where you can count on no one, we follow Jimmy while working on his fourth feature film "Death Stalker", which quickly turns into a descent into complete and utter madness as his leading lady leaves the production halfway through the shooting. This begins the insane fall of Jimmy Duncan.

All this while being haunting in his dreams by his childhood experiences.

Sounds pretty good to me ... almost like a more serious version of SMASH CUT. Now check out the trailer:

Yeah; this one looks like a winner!! LITTLE BIG BOY will hit the streets sometime in September and is available now at amazon-on-demand [here](#). I'll let you know when it's available on DVD, and if anyone checks this one out on Amazon let me know how it is!!

ANYTHING HORROR BLOG

updating me on BLOOD FARE. The poster (to the left) and teaser trailer have been released!! As you remember BLOOD FARE is written (along with Koch), directed, and produced by J.A. Steel. Let me shut up and let the press release do the talking:

We are pleased to announce that female action filmmaker, J.A. Steel, released the first poster of her new horror shocker BLOOD FARE with Gil Gerard today.

BLOOD FARE is a Civil War ghost story with a modern twist, by J.A. Steel and Co-Producer Christian K. Koch. It is the tale of Corporal Henry Trout (S. Edward Meek – WILD STALLION), who in 1861 fought valiantly in a forgotten

skirmish after the first battle of Bull Run. 150 years later, he will come face to face with his descendants as the

battle for blood continues on a haunted battlefield. Tyler (Brandi Lynn Anderson – Syfy's ZERO'S) and her brother Chad (Adrian West), Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred.

Gil Gerard, internationally recognized for his lead role as Captain William 'Buck' Rogers in the science fiction movie and television series "Buck Rogers in the 25th Century", plays the character of Professor Meade, mentor to the protagonist Tyler, in "Blood Fare". Gerard was recently seen in the Syfy original movie "Ghost Town". International action star, Kim Sønderholm, most recently seen in the newly released "Little Big Boy" appears alongside Gerard as Professor Malick.

In addition to Gerard and Sønderholm, several other amazingly talented actresses and actors have joined the "Blood Fare" cast, including Michelle Wolff ("NCIS", "Chicago Hope", "ER", and "Providence"), Savannah Ostler ("Vengeance"), Bridget McManus ("Wanted"), Scott Beringer ("Ocean's Eleven" and "21"), Brenden Whitney, Alison Trowse, Thomas J. Post, Antonio Lexterot and April Knight. Marcus Intheam, Salt Lake City star radio DJ of "Marcus in the Morning" on Z-ROCK 94.9 and "The Real L Word Live Lounge" host Natalie M. Garcia add live broadcast talent.

Chris Hanson, one of the most recognized special makeup effects artists of Hollywood, joined the crew of "Blood Fare" as Special Makeup Effects Supervisor. He demonstrated his unique creativity in "Age of Dragons", "Hellboy", "Underworld", "Men in Black", "The Green Mile", "The X-Files", "The Faculty", "Spawn" and many other productions.

Here's the teaser trailer:

This looks like a really fun film and I'm excited with the addition of Chris Hanson. He's proven time and again his true professionalism and quality of work. Like I wrote above, BLOOD FARE is one of my most anticipated films of 2011. I loved Steel's DENIZEN (see my review [here](#)) and everything is pointing to the fact that BLOOD FARE is gonna be a bigger film in every way. I'm excited!! I'll keep you all posted as the release date and other details are released.

Stay Bloody!!!

1 of (I'm assuming) many dead bodies in BLOOD FARE.
