Warrior Entertainment released the first poster for female filmmaker, J.A. Steels fourth feature film "Blood Fare" today. *Blood Fare* is a Civil War ghost story with a modern twist and stars Gil Gerard otherwise know as "Buck Rodgers." Steel began stock footage filming in mid-August with the dedicated members of the Utah Civil War Association, a re-enactment group.

The film was able to procure Chris Hanson, one of the most recognized Hollywood artist for his special makeup effects. His work as been seen in *Age of Dragons*, *Hellboy*, *Underworld*, *Men in Black*, *The Green Mile*, *X-Files*, *The Faculty*, *Spawn* and several more productions.

"Blood Fare is the tale of Corporal Henry Trout (S. Edward Meek, Wild Stallion), who in fought valiantly in a forgotten skirmish after the first battle of Bull Run. 150 years later, he will come face to face with the descendants as the battle for blood continues on a haunted battlefield. Tyler (Brandi Lynn Anderson, Syfy's Zero's) and her brother Chad (Adrian West), Henry's 5th generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred."
