New poster for supernatural themed "Blood Fare"

Blood Fare

J.A. Steel and company have released a new poster, one sheet for their latest endeavor, Blood Fare, to give audiences a preview of what to expect. With Blood Fare, J.A. Steel has the potential to create an all new thrilling action horror film experience for genre fans out there. While Blood Fare features elements of action in the vein of Legion, Priest or Underworld to name a few, J.A. Steel plans on offering up a unique twist to it all, by having a story that incorporates elements of old fashioned ghost story. By looking to the past, J.A. Steel might have just created something cutting edge for the fans out there complaining about this being a lifeless era of horror film remakes and unoriginal concepts.

Blood Fare, starring Gil Gerard, is a Civil War ghost story with a modern twist by J.A. Steel and co-producer Christian K. Koch. Blood Fare is the tale of Corporal Henry Trout (S. Edward Meek - WILD STALLION), who in 1861 fought valiantly in a forgotten skirmish after the first battle of Bull Run. 150 years later, he will come face to face with his descendants as the battle for blood continues on a haunted battlefield. Tyler (Brandi Lynn Anderson - Syfy's ZERO'S) and her brother Chad (Adrian West), Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman as the lines between the living and the dead become blurred.
