POST-PRODUCTION work is in full swing on the Civil War ghost tale *Blood Fare*, whose cast members include Buck Rogers legend Gil Gerard.

Writer-director JA Steel has announced that Warner Bros Motion Picture Imaging has completed digital colouring on the historical horror project, her fourth feature film.

Blood Fare is the tale of Corporal Henry Trout (S. Edward Meek), who in 1861 fought valiantly in a forgotten skirmish after the first battle of Bull Run.

He comes face to face with his descendants, fifth-generation grandchildren Tyler (Brandi Lynn Anderson from upcoming Syfy series *Zeros*) and Chad (Adrian West) as the battle for blood continues on a haunted battlefield 150 years later.

Gil Gerard plays Tyler's mentor Professor Meade, while Kim Sonderholm appears alongside Gerard as Professor Malick.

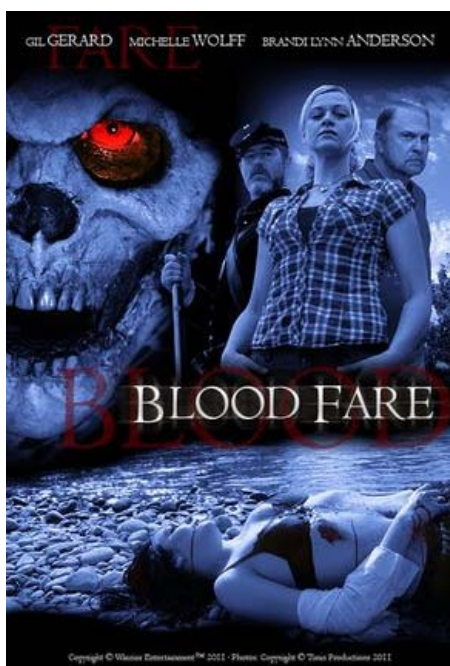

Other cast members include Michelle Wolff (NCIS, Chicago Hope, ER, and Providence), Savannah Ostler (Vengeance), Bridget McManus (Wanted), Scott Beringer (Ocean's Eleven), Brenden Whitney, Alison Trowse, Thomas J. Post, Antonio Lexerot and April Knight.

Special effects make-up is by Chris Hanson, who previously worked on such productions as *Hellboy*, *Underworld*, *Men in Black*, *Men in Black 2*, *The Green Mile*, *The X-Files*, *The Faculty* and *Spawn*.

Steel rounds out her crew with director of photography Michael B. Call, co-producer Christian M. Koch, who also worked with Steel on her first three films, and executive producer Jessica M. Bair.
