Teaser Art From Civil War Ghost Flick Blood Fare

Teaser Art From Civil War Ghost Flick Blood Fare

This sounds pretty cool. I'm going to have to start foregoing sleep in favor of working on my films. Not as young as I used to be, but it must be done. There's a lot of cool shit coming out, and I want mine to be part of it.

Synopsis:

Blood Fare is the tale of Corporal Henry Trout (S. Edward Meek, Wild Stallion), who in 1861 fought valiantly in a forgotten skirmish after the first battle of Bull Run. 150 Years later, he will come face-to-face with his descendants as the battle for blood continues on a haunted battlefield. Tyler (Brandi Lynn Anderson from the upcoming Syfy original series "Zeros") and her brother, Chad (Adrian West), Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman as the lines between the living and the dead become blurred.
