J.A. Steel Wraps On Blood Fare Principal Photography

J.A. Steel, the award winning female writer and director, wrapped on principal photography of her fourth feature film "Blood Fare". Today, Tunis Productions, Inc. publishes the first "Blood Fare" stills set "Ladies Of Blood Fare" featuring Tyler (Brandi Lynn Anderson from the upcoming Syfy original series "ZEROS"), Summer (Savannah Ostler - "Vengeance"), Kayla (Bridget McManus - "Wanted") and the murdered Andrea (Livia Danton).

"Blood Fare" is a Civil War ghost story with a modern twist, by J.A. Steel and Co-Producer Christian K. Koch. It is the tale of Corporal Henry Trout (S. Edward Meek - "Wild Stallion"), who in 1861 fought valiantly in a forgotten skirmish after the first battle of Bull Run. 150 years later, he will come face to face with his descendants as the battle for blood continues on a haunted battlefield. Tyler and her brother Chad (Adrian West), Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred.

Gil Gerard, internationally recognized for his lead role as Captain William 'Buck' Rogers in the science fiction movie and television series "Buck Rogers in the 25th Century", plays the character of Professor Meade, mentor to the protagonist Tyler, in "Blood Fare". Gerard was recently seen in the Syfy original movie "Ghost Town", and will star with his castmate Erin Gray, in the upcoming television movie "Buck Rogers Begins".

In addition to Gerard, several other amazingly talented actresses and actors have joined the "Blood Fare" cast, including Michelle Wolff ("NCIS", "Chicago Hope", "ER", and "Providence"), international action star Kim Sørderholm ("Westbrick Murders"), Scott Beringer ("Ocean's Eleven" and "21"), Brenden Whitney, Alison Trowse, Thomas J. Post, Antonio Lexerot and April Knight. Marcus Intheam, Salt Lake City star radio DJ of "Marcus in the Morning" on Z-ROCK 94.9 and "The Real L Word Live Lounge" host Natalie M. Garcia add live broadcast talent.

Chris Hanson, one of the most recognized special makeup effects artists of Hollywood, joined the crew of "Blood Fare" as Special Makeup Effects Supervisor. He demonstrated his unique creativity in "Hellboy", "Underworld", "Men in Black", "Men in Black 2", "The Green Mile", "The X-Files", "The Faculty", "Spawn" and many other productions.

Steel began stock footage filming in mid-August with the dedicated members of the Utah Civil War Association, a re-enactment group including Meek. Utah Civil War Association member Amanda Bowman Jones will be composing the soundtrack, along with Rob Lambros of "The Street" band, who provided the soundtrack to Steel's third feature "Denizen", winner of the Park City Music Film Festival Bronze Medal for Excellence. Steel rounds out her crew with Director of Photography Michael B. Call and Executive Producer Jessica M. Bair.

"Blood Fare" is a green, sustainable film production, and Eco/Sustainable Production Executive Micheline Birkhead was on

About J.A. Steel:

Steel is a director, producer, actor, videographer, editor, fight choreographer and stunt person, in addition to writer and composer ... and even a distributor ... a unique woman in Hollywood.

"Blood Fare" is Steel's fourth feature film. Her action horror shocker "Denizen", her action supernatural thriller "Salvation", and her action feature "The Third Society" reflect in many ways Steel's real life hobbies of Muay Thai kickboxing, cave diving, motorcycle riding, firearms and edged weapons. All three movies are available on Amazon.com.

Steel lives in Los Angeles and Salt Lake City, but prefers the peace of Utah and mountain scenery for her screen writing.

About Tunis Productions, Inc.
