## "Blood Fare" is coming

New western-styled horror is on the way with J.A. Steel's **Blood Fare**. The film, which stars Gil Gerard, Michelle Wolff, Brandi Lynn Anderson, Kim Sonderholm, Bridget McManus, Scott Beringer, S. Edward Meek, Adrian West, Savannah Ostler, Brenden Whitney, Alison Trowse, Thomas J. Post, April Knight, Antonio Lexerot, Marcus Intheam, and Natalie Garcia...is coming our way from Warrior Entertainment. In the movie...Corporal Henry Trout fought valiantly in the forgotten skirmish of the Lethe Confluence during the Civil War. The year was 1861. In 2011, he will come face to face with his descendants as the battle for blood begins. Tyler and her brother Chad, Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred.
