J.A. Steel's BLOOD FARE - Teaser Trailer & Poster Inside

Posted By : [Deth_Banger](#), Friday Nov,26

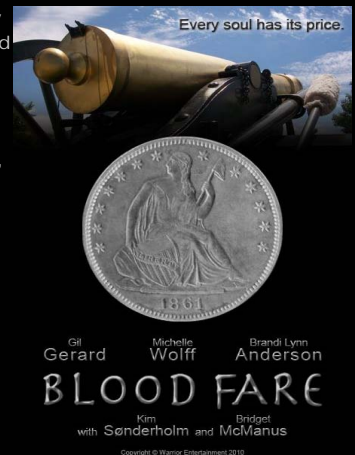

The upcoming movie Blood Fare is a civil war ghost story written & directed by the female action filmmaker J.A. Steel who has directed such films as The Third Society (2002), Salvation (2007) & Denizen (2010).

Blood Fare stars Gil Gerard, Michelle Wolff, Brandi Lynn Anderson, Kim Sønderholm, Bridget McManus, Scott Beringer, S. Edward Meek, Adrian West, Savannah Ostler, Brenden Whitney, Alison Trowse, Thomas J. Post, April Knight, Antonio Lexterot, Marcus Intheam and Natalie Garcia.

The special makeup effects are handled by Chris Hanson who has worked on such films as Underworld (2003), S. Darko (2009) and The Faculty (1998) to name but a few, so with Hanson on board we can expect some awesome effects.

Synopsis: *"Corporal Henry Trout fought valiantly in the forgotten skirmish of the Lethe Confluence during the Civil War. The year was 1861. In 2011, he will come face to face with his descendants as the battle for blood begins. Tyler and her brother Chad, Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred."*
