SALT LAKE CITY, UT. – On November 22, 2010, J.A. Steel, the award winning female writer and director, released the first teaser trailer of her fourth feature film "Blood Fare".

"Blood Fare" is a Civil War **ghost story** with a modern twist, by J.A. Steel and Co-Producer Christian K. Koch. It is the tale of Corporal Henry Trout (S. Edward Meek – "Wild Stallion"), who in 1861 fought valiantly in a forgotten skirmish after the first battle of Bull Run. 150 years later, he will come face to face with his descendants as the battle for blood continues on a haunted battlefield. Tyler (Brandi Lynn Anderson from the upcoming Syfy original series "ZEROS") and her brother Chad (Adrian West), Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred.

Gil Gerard, internationally recognized for his lead role as Captain William 'Buck' Rogers in the science fiction movie and television series "**Buck Rogers** in the 25th Century", plays the character of Professor Meade, mentor to the protagonist Tyler, in "Blood Fare". Gerard was recently seen in the Syfy original movie "Ghost Town", and will star with his castmate Erin Gray, in the upcoming television movie "Buck Rogers Begins".

In addition to Gerard, several other amazingly talented actresses and actors have
