In Your Closet: "Blood Fare": "Don't Get Out of the Car!" Never Get Out of the Car!"

POSTED BY ANGELA SHAFER IN FILMS, GHOSTS

≈ LEAVE A COMMENT

Ghosts! The U.S. Civil War! Lesbians! Yes, "Blood Fare" seems to have lesbian horror fan bait written all over it. Or is it just me?

Tags

ghost, lesbian, movies, queer

According to the [Official Site](#):

Corporal Henry Trout fought valiantly in the forgotten skirmish of the Lethe Confluence during the Civil War. The year was 1861. In 2011, he will come face to face with his descendants as the battle for blood begins. Tyler and her brother Chad, Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred.

- @robertropars And thank you for sharing your stories 20 hours ago

When will it be released? Well, according to Director J.A. Steel, as posted on the movie's site, they sent out copies to distributors the first week of April. Once they have a distributor to get it in theatres, we'll see.

But even if goes straight to DVD without an official release, it would be, in my opinion, in good company, considering one of the best horror films in recent years, Trick 'r Treat, went straight to DVD.

"Blood Fare" is a Warrior Entertainment production.

▪ It's a beautiful time when a writer starts a new story. The characters say 'how do you do?' And then they tell their story.
