Another Civil War-themed horror film in *Blood Fare* has got a new trailer, that played at SDCC 2011, and a press release came out about the film, directed by J.A. Steel.

On July 26, 2011, the trailer of the award-winning female writer and director J.A. Steel's fourth feature film, *Blood Fare*, hits the web after having its world premiere on the Big City Comics video wall at the San Diego Comic-Con 2011 on July 23. Steel; Gil Gerard, internationally recognized for his lead role as Captain William 'Buck' Rogers in the science fiction movie and television series "Buck Rogers in the 25th Century"; Savannah Ostler (*Vengeance*), *Splattercontainer Scream Queen* October 2010; and Jeff Kaufman, creator of the brand new graphic novel "Terminal Alice", attended the world premiere.

Blood Fare is a Civil War ghost story with a modern twist by J.A. Steel and co-producer Christian K. Koch. It is the tale of Corporal Henry Trout (S. Edward Meek – *Wild Stallion*), who in 1861 fought valiantly in a forgotten skirmish after the first battle of Bull Run. 150 years later, he will come face to face with his descendants as the battle for blood continues on a haunted battlefield. Tyler (Brandi Lynn Anderson from the upcoming Syfy original series "ZEROS") and her brother, Chad (Adrian West), Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred.

Gerard plays the character of Professor Meade, mentor to the protagonist Tyler, in *Blood Fare*. Gerard was recently seen in the Syfy original movie *Ghost Town*. International action star Kim Sonderholm, most recently seen in the newly released *Little Big Boy*, appears alongside Gerard as Professor Malick.

In addition to Gerard and Sonderholm, several other amazingly talented actresses and actors have joined the *Blood Fare* cast, including Michelle Wolff ("NCIS", "Chicago Hope", "ER", and "Providence"), Bridget McManus (*Wanted*), Scott Beringer (*Ocean's Eleven* and *21*), Brenden Whitney, Alison Trowse, Thomas J. Post, Antonio Lexerot and April Knight. Marcus Intheam, Salt Lake City star radio DJ of "Marcus in the Morning" on Z-ROCK 94.9 and "The Real L Word Live Lounge" host Natalie M. Garcia add live broadcast talent.

Chris Hanson, one of the most recognized special makeup effects artists of Hollywood, joined the crew of *Blood Fare* as Special Makeup Effects Supervisor. He demonstrated his unique creativity in *Hellboy*, *Underworld*, *Men in Black*, *Men in Black 2*, *The Green Mile*, "The X-Files", *The Faculty*, *Spawn* and many other productions.
