

## Blood Fare Poster and Teaser Trailer

Posted: 26 Jun 2011

Writer/Director J.A. Steel has released a teaser video and poster for her upcoming movie, *Blood Fare*. Which has been described as a civil war ghost story with a twist.

The movie tells the tale of Corporal Henry Trout who fought in a forgotten skirmish in 1851 after the first battle of Bull Run. 150 years later, he will come face to face with his fifth generation grandchildren, as the battle for blood continues on a haunted battlefield. The lines between the living and the dead become blurred, and the legend of paying Charon the ferryman will be challenged.

The movie was written by Christian K. Koch and J.A. Steel, who also directed. It stars Gil (*Buck Rogers in the 21st Century*) Gerard, Michelle (*Dante's Cove*) Wolff, Kim (*Zombie Werewolves Attack!*) Sønderholm, and newcomer Brandi Lynn Anderson.

The teaser, presented below, has definitely left me wanting more. Hit their website for additional info.
