## Buck Rogers star Gil Gerard returns to screen in Blood Fare

Legendary actor Gil Gerard, who brought pulp magazine and comic book hero Buck Rogers to life in the 1979 movie and subsequent TV series, is back on screen in new horror flick Blood Fare...

Blood Fare is a Civil War ghost story with a modern twist, by action filmmaker JA Steel.

It's the tale of Corporal Henry Trout (S. Edward Meek), who in 1861 fought valiantly in a forgotten skirmish after the first battle of Bull Run. He comes face to face with his descendants 150 years later as the battle for blood continues on a haunted battlefield.

Tyler (Brandi Lynn Anderson - Syfy's ZERO'S) and her brother Chad (Adrian West), Henry's fifth generation grandchildren, challenge the legend of Charon the ferryman as the lines between living and dead become blurred.

Gil Gerard, famed for his lead role as Captain William 'Buck' Rogers in the film and TV series 'Buck Rogers in the 25th Century' plays Professor Meade. Gerard was recently seen in the Syfy movie Ghost Town.

Hollywood make-up artist Chris Hanson is part of the crew. His credits include Age of Dragons, Hellboy, Underworld, [Men in Black](#), [The Green Mile](#), The X-Files, The Faculty and Spawn.

The full press release and the first poster for the film are over at the Coventry Telegraph.
